

MATH 113 INSTRUCTIONS FOR THE FINAL EXAM

- » Our final exam covers all of the material of the semester, with a special emphasis on the material in the number theory section.
- » This is a 120-minute exam that will take place at 6pm in Bio 19 on Tuesday, May 12. (The exam is intended to take 2 hours.)
- » During the exam, you are permitted to reference one double-sided letter-sized ($8.5'' \times 11''$) sheets of notes.
- » Calculators, computers, phones, collaboration, books, and the Internet are prohibited during the exam.
- » If questions arise during your studying, please reach out.

Suggestions for studying for the exam:

- (1) Review the text (including the Appendix sections on Mathematical writing and Proof templates). Note that the text has exercises that you should try to solve.
- (2) Rewatch the lectures.
- (3) Review the group problems up through Wednesday of Week 10. There are links to the solutions in our moodle.
- (4) Review the homework assignments. There are links to the solutions in our moodle.
- (5) Take time to decide what to include in your sheet of notes.
- (6) Relax, and try to enjoy the review process. This is fun material!
